

Pupil of the week:	Jemimah Coly Class	Alexa Otter Class	Rosie Yarty Class	Charlie Axe Class
--------------------	------------------------------	-----------------------------	-----------------------------	-----------------------------

Dear Parents

I have seen many more coats in school this week – thank you for your help on that issue! The weather is looking pretty unsettled over the next week as well so please encourage children to keep this up.

I hope that everyone has been getting involved in discussions with their children about things they enjoy online. Please send the signed pledge back in to the class teachers as they will continue to talk about online safety regularly in class. Just as we teach children about dangers on the road, as technology advances exponentially, we have a duty as the adults to teach children the benefits of the world that they are growing up in - with technology at their fingertips – but also to teach them the dangers to be aware of.

It has been great to see some parents joining in with our morning 'Wake and Shake' activities on Tuesdays and Thursdays. Wake and Shake is a whole school participation event and any adults who are joining in are acting as excellent role models for our children. When the children see adults taking part it sets a good example and encourages participation. We would love for more parents to come and join us; please come in to the playground and find a spot – the children will love it and you will be helping us by showing an eagerness to be active.

PARKING

There are still a number of people parking at the bottom of School Lane, particularly at pick up time. Many of the folks who live in the village, and therefore walk to school, use this as their main route for walking home. It is extremely dangerous to have cars driving in and out through this tiny area when small children, excited at just leaving school, are walking around.

We are actually very lucky to have two car parks at our disposal. I understand that occasionally both car parks are full – maybe if there is an event in the village hall or the Beacon - but some people are parking there every single day! If, on occasion, you really must park at the bottom of the lane, then please wait until those people walking have vacated the area before you start to leave – we would all be horrified if a child got hit by a car down there.

Lee White
Head of School

Kilmington PTFA presents.....
